=====

We have now received official authorization from the Hebrew University for the creation of our committee. I have only a fax of the formal letter, which explains the quality of the copy I enclose. Also enclosed are a copy (for reference) of the December 1988 document to which the letter alludes, and a copy of a second letter, outlining some specific initial requests from the University.

These two letters will provide us with the subject of the second and third items on the agenda I laid out in my memo of March 29th. As that memo indicated, we are now all set to meet at the offices of the American Friends of the Hebrew University, at 11 East 69th Street, at noon on May 18th.

I look forward to seeing you then; if there are any questions in the meantime, please do not hesitate to get in touch either with me at (609) 452-4994, or with Larry Besserman of the Friends at (212) 472-2288.

(P.S. Since this is to be an organizing and working session, it seemed best for us to meet on our own, and not take up Mr. Handler's offer to join us.)
